

Cedric Dean's 10 Parenting Principles

1. Always give your child unconditional love.
2. Always give your child your undivided attention.
3. Always show interest to your child's interest.
4. Always live within your means.
5. Always teach your child money management lessons.
6. Always shape your child's environment instead of letting it shape your child.
7. Always provide your child with opportunities to perform at the highest level.
8. Always listen to understand your child's point of view.
9. Always talk to be understood.
10. Always lead by example.
