

Cedric Dean's New Life Curriculum Series

Save your child - and every at risk child and teen in your community - from premature death and incarceration. Our children's future depends upon the combined cooperation, commitment and action of every community - both urban and suburban. That's why these New Life Curriculum Workbooks are so critical to our children's future. This series use quality evidence-based prevention and intervention exercises to help children and teens with chronic behavior problems.

HOW CHILDREN WILL BENEFIT

- * Solve peer pressure problems
- * Identify people and situations that can elicit trouble
- * Successfully change or modify self-defeating habits
- * Understand how negative behaviors affect family and friends
- * Achieve better personal relationships and change how children are perceived
- * Manage feeling of frustration and anger
- * Gain recognition for contributing to a more positive and happier community environment
- * Positively impact their career path

WHAT THE BOOKS COVER

- * Improving their image in the eyes of parents, teachers, and associates
- * Using positive self-talk for a more constructive attitude
- * Overcoming Peer Pressure
- * Anger Management
- * Bullying
- * Controlling Misguided Thoughts
- * Increasing their emotional intelligence to better handle interpersonal relationships
- * Controlling reactions, instead of being controlled by them
- * The role of empathy in becoming more productive
- * Accepting responsibility

WHO SHOULD USE

Those whose negative behavior pattern has impeded their growth and development and who wish to achieve academic success
